Match Preview

Fermanagh v Armagh

By Pauric McGurn

Fermanagh will go into this evening's clash with Ulster rivals Armagh as rank-outsiders.

Armagh have still to concede a goal, have the best scoring difference in the top two divisions and are also in fine form with 3 wins and a draw thus far.

Fermanagh manager Kieran Donnelly will be vastly disappointed with last Sunday - having seen his side lose out to Cork, 0-16 to 1-14, Donnelly expressed bitter disappointment but the one feeling is that his side will come into this evening's clash completely the underdog which will suit Fermanagh perfectly.

The Ernesiders have lost two in a row and a third defeat will send Fermanagh to away trips to Louth and Cavan needing to get something to achieve staying up in an ultra-competitive Division 2.

Armagh will be coming into the clash having drawn with Donegal last Sunday, Kieran McGeeney's charges are looking to make a quick return to Division 1 football and on current form the Orchard look primed to achieve that success.

Fermanagh will not be tipped by many to achieve anything from this evening's clash and this may in fact suit the home side, on Sunday they led for the majority of the clash in Ederney but failed to see out the game.

Armagh have hit 5-53 in the 4 games to date and the attacking form of the likes of Oisín Conaty, Conor Turbitt and Rory Grugan will give the Fermanagh defence plenty to ponder.

Fermanagh will need the likes of Sean Cassidy, Garvan Jones and Ultan Kelm to be on top form in attack, while Donnelly will know the strength Armagh will carry.

Armagh go into this one as strong favourites but anything can happen in 70 minutes of football.
